### **About Powerball**

The recent Powerball run went from early May to the July 30 drawing that saw Mansell's \$100,000 win. At an estimated annuitized \$478 million, the run yielded the 5th largest jackpot in Powerball history. More than 9,000 Arkansas players have been Powerball winners since the state started Powerball sales on October 31, 2009. Powerball itself began in April 1992 in 15 states with jackpots that started at a guaranteed \$2 million. Since then, Powerball has grown into one of the world's biggest and most recognizable lottery games, sold today by 47 lotteries across the nation, with players buying more than \$4 billion in Powerball tickets each year. The world record jackpot was set in January by a Powerball jackpot run that reached \$1.586 billion and hit in Tennessee, California and Florida.
