

**All-Arkansas Natural State Jackpot Hit for \$95,000;
NLR Player Buys \$1 Winning Ticket at EZ Mart**

LITTLE ROCK – November 5, 2012 – An as-yet unidentified North Little Rock player tonight won a \$95,000 Natural State Jackpot with a ticket purchased at the EZ Mart on Edgewood Road in NLR. This player picked the exact five random numbers drawn at 8 p.m.

The Arkansas-only Natural State Jackpot's \$1 tickets went on sale on August 27. The first jackpot win was on September 13, with a \$100,000 prize hit in Mountain Home. The Natural State Jackpot is sold exclusively in Arkansas, with very good odds of winning: In addition to the four jackpots won in the state in ten weeks, Arkansas players have won hundreds of thousands of dollars in lower tier prizes.

All who bought Jackpot tickets at the Edgewood Road EZ Mart are encouraged to check their five numbers against the winning numbers, available at myarkansaslottery.com or at any Lottery retailer. Drawings are at 8 p.m. every night except Sunday. If you want to play daily without repeated trips to the store, ask your retailer for extended-play NSJ tickets for up to 20 plays. Just ask for a QUICKPICK or pick five numbers between 1 and 39. It's fun, it's all-Arkansas, and it's one dollar.
