Fieldwork included review of documentation and information generated July 1, 2014 through July 6, 2015.

The following observation and recommendation was reported:

- *Accuracy of Ineligible Players List* – In accordance with Arkansas Code Annotated (ACA) § 23-115-403 (f)(1) (A) (B) and (C), the OAL maintains an "ineligible players list" which is integrated into the OAL system used to process lottery prize claims, thus designed to prevent unauthorized prize payments to OAL employees or their families. Two ineligible player records were inaccurate due to incorrect first and/or last names. Upon notification that these inaccuracies existed in the ineligible players list, OAL Management immediately updated the ineligible players list, prior to the end of fieldwork for the audit.

Internal Audit recommended that going forward, upon update of an ineligible player record by the OAL employee responsible for maintaining the list, another OAL employee confirm the accuracy and completeness of the change by comparing the information noted on the applicable form or communication of a requested change to the ineligible player record, and that documentation of such check be retained to demonstrate that the review is being performed. OAL Management stated its concurrence with the Internal Audit recommendation.

No additional issues or problems resulting from internal audits have been reported to the Director of the Department of Finance and Administration for the reporting period.
