Please delete this question submitted with the Initial Vendor Questions by Scientific Games:

23) Section 1.19, Ownership of Materials and Right of Use (page 9).

In the fourth paragraph, will the ALC please confirm that the usufruct referred to will only be in the contractual items owned or licensed to the ALC under this Contract?

Please include the following Additional Questions with the Initial Vendor Questions submitted by Scientific Games:

- 1) Section 1.19, Ownership of Materials and Right of Use (page 9). In the fourth paragraph, will the ALC please confirm that the usufruct referred to will only be in the online lottery gaming system supplied to the ALC under this Contract?
- 2) Section 4.0, Number 12, Vendor Profile (page 20). With respect to the information requested regarding a "corporate or individual purchase or takeover of another corporation," would the ALC please provide a time limit for the information to be supplied in response to this query (i.e. "corporate or individual purchase or takeover of another corporation that occurred in the past 3 years"?)
- 3) Section 4.2, Conversion, (page 20). Will the ALC please confirm that the Successful Vendor will still be compensated for ticket inventory and any other compensable materials transferred under this section?
- 4) Section 4.4, Disclosure of Litigation (page 21). Will the ALC please confirm that the first sentence of this section is only requesting disclosure of civil or criminal litigation that is pending? In the alternative, will the ALC please provide a time limit for the information to be supplied under this Section (i.e. occurring in the past three (3) years?)
- 5) Section 4.4, Disclosure of Litigation (page 21). Will the ALC please confirm that the second sentence of this section only applies to third parties (joint ventures strategic partners, etc.) directly involved in the provision of the services to be proposed by Vendor?
