

ARKANSAS LOTTERY COMMISSION

ARKANSAS MONOPOLY MILLIONAIRES' CLUB™ RULES

A. General Provision

1. The Arkansas MONOPOLY MILLIONAIRES' CLUB™ Rules are comprised of (1) the Arkansas Scholarship Lottery Act; (2) the Arkansas Lottery Commission (ALC) Operational Rules; (3) the ALC Rules for Claims in Contract or Tort; (4) the MONOPOLY MILLIONAIRES' CLUB™ Group Rules set by the Multi-State Lottery Association (MUSL), and (5) the Arkansas MONOPOLY MILLIONAIRES' CLUB™ Rules. Each numbered item cited above shall have equal weight unless there is an inconsistency between or among the documents, in which case the document listed first shall be controlling.
2. ALC is a member of MUSL, a non-profit and government-benefit association which is owned and operated by its member lotteries.
3. These rules may be amended at the ALC's discretion.

B. Ticket Purchases

1. Each play costs five dollars (\$5.00).
2. Play(s) purchased are valid for current draw only.
3. Plays can be entered manually by a retailer using the online terminal or through the use of an ALC-issued playslip.
4. Ticket sales will be suspended at 9:00 p.m. CT on the day of the draw. Ticket sales will resume as soon as practicable following the draw.
5. If the player receives a damaged or illegible ticket or if the terminal fails to produce a ticket, the retailer shall provide the player with a new ticket. The retailer should retain the damaged ticket, if possible, and contact ALC.
6. Tickets cannot be canceled.

C. Game Play

1. A play is one (1) set of six (6) numbers: a player shall select five (5) different draw numbers, from one (1) to fifty-two (52), and the terminal shall randomly select one (1) additional number from one (1) to twenty-eight (28), which is the Property Number. The Property Number may be the same as one of the first five draw numbers selected in the play. The Property Number shall be represented on the printed ticket both as a number and as the associated MONOPOLY game board

property. Each play sold shall also have a unique Millionaires' Club Number associated with that play to be used in determining Millionaires' Club Prize winners, if a Millionaires' Club Prize drawing is held.

2. Play(s) are marked on a playslip or communicated directly to the retailer to enter manually in the online terminal. The terminal will generate a ticket(s) with the corresponding play(s). Each play is printed separately.
3. When using a playslip, the player should make a heavy mark in the appropriate boxes on each panel. Only blue or black ink or pencil should be used on the playslip. Red will not be accepted. If a player makes an error in number selection, the VOID box for that play should be marked. A player should not erase any item on the playslip. Up to four (4) plays may be marked on a single playslip.
4. A player may choose to have any or all of the numbers randomly generated by the terminal. The Quick Pick (QP) option may be marked on the playslip or communicated to the retailer to select manually.

D. Drawings

1. Drawings are held at 10:15 p.m. CT on Friday.
2. Five (5) draw numbers will be drawn followed by one (1) Property number.
3. The player can match the first five (5) draw numbers drawn in any order.
4. In addition, and only when the Top Prize has been won in a drawing, a second drawing will occur to select winners of Millionaires' Club Prizes. The number of Millionaires' Club Prizes to be drawn will be a minimum of ten (10), with that number increasing by a minimum of one (1) in each drawing, until the Top Prize has been won.
5. A given play may win in the MONOPOLY MILLIONAIRES' CLUB™ drawing, the Millionaires' Club Prize drawing (if any), or both drawings.

In no event, however, shall the pari-mutuel prize amounts be greater than the fixed prize amount.
3. The holder of a winning ticket may win only one (1) prize per play in connection with the winning MONOPOLY MILLIONAIRES' CLUB™ numbers drawn, and shall be entitled only to the prize won by those numbers in the highest matching prize category. If the Top Prize is won in any drawing, a play may also be eligible to win in the Millionaires' Club drawing.
4. Top Prize
 - i. The Top Prize is won by matching all five (5) draw numbers and the Property Number selected in a draw.
 - ii. The Top Prize is paid in thirty (30) graduated payments (increasing each year) by a rate as determined by the MUSL Product Group. A Top Prize winner has sixty (60) days from the date of claim to choose either to receive the Top Prize as an annuity or as one (1) lump-sum cash payment. If the payment election is not made within that time frame, the Top Prize will be paid as an annuity prize.
 - iii. The prize money allocated to the Top Prize category shall be divided equally by the number of plays winning the Top Prize.
 - iv. In the event that the Top Prize should become pari-mutuel, the amount of the Top Prize will be reduced proportionately to the reduction in cost allocated to the prize.
 - v. If the Top Prize is not won in a drawing, the portion of the prize fund allocated to the Top Prize category shall be added to the amount allocated for the Top Prize category in the next consecutive drawing, until the Top Prize reaches twenty-five million dollars (\$25,000,000).
 - vi. The Top Prize starts at fifteen million dollars (\$15,000,000) (annuitized) and rolls if not won, with a maximum Top Prize of twenty-five million dollars (\$25,000,000).

- vii. After being won, the Top Prize returns to fifteen million dollars (\$15,000,000).

5. Millionaires' Club Prize

- i. Millionaires' Club Prizes are drawn only when the Top Prize is won.
- ii. A unique Millionaires' Club Number is printed on each ticket and is valid for the current draw only.
- iii. In order to win a Millionaires' Club Prize, a player must match, in exact order, the Millionaires' Club Number printed on their ticket to one of the Millionaires' Club Numbers that is drawn for that drawing.
- iv. The number of Millionaires' Club Prizes awarded will be a minimum of ten (10), with that number increasing by a minimum of one (1) in each drawing, until the Top Prize is won.
- v. Any monies not paid for Millionaires' Club Prizes in the Millionaires' Club Prize category following a drawing shall be added to the amount allocated for the same category in the next consecutive drawing.
