MILLIONAIRES CLUB

Lottery players love scratch-off tickets that have a \$1 million top prize! The \$20 Millionaires Club instant ticket, which will launch December 3, should make sales during the holiday season merry and bright. The black and sparkle gold scratch-off is sure to stand out and leave a twinkle in players' eyes. With more than 50,000 prizes of \$100 or more, it will make a lot of players extremely jolly!

WINNING RETAILERS

L-R: Camree Bartholomew, clerk, and Mandy Bartholomew, owner.

Mandy Bartholomew, owner of Frederick's One Stop in Prairie Grove, says she loves being an Arkansas Scholarship Lottery retailer for two main reasons — "We enjoy when players leave happy, and we help a lot of students attend college.

"The majority of our customer base is loyal lottery players who visit our store a couple of times a week. We have to make sure that our 48 bins stay full at all times. I treat all of our customers like family. I think I get more excited than they do when the terminal notifies them that they're a winner," she says with a smile.

Mandy knows that winning, even a small amount, can make a big difference in a player's life. She's also aware that the lottery has a significant impact on the life of a student pursuing a college education who needs financial assistance.

Her daughter, Camree, a lottery-scholarship recipient, is attending the University of Arkansas at Fayetteville and majoring in business education. Working at least four days a week at Frederick's One Stop, Camree can also see first-hand the importance of the lottery.

"I'm a full-time student, and the lottery-scholarship has relieved a lot of stress on my family," she said. "Thanks to the scholarship, I don't have to worry about living in debt after I graduate. I feel accomplished when I help our store reach its goals, because I know I'm helping fund over half a million scholarships for students like myself."

PLAY FOR FUN! PLAY RESPONSIBLY!

Arkansas Scholarship Lottery does not sell products to persons under the legal age of 18, and the lottery does not encourage players to buy scratch-off tickets as stocking stuffers for children under the age of 18. Let's make it "the most responsible time of the year" by discouraging the gifting of lottery products to minors.
