

OFFICE OF THE ARKANSAS LOTTERY
ARKANSAS MILLIONAIRE FOR LIFE RULES

A. General Provision

1. The Arkansas Millionaire for Life Rules are comprised of (1) the Arkansas Scholarship Lottery Act; (2) the Office of the Arkansas Lottery (OAL) Operational Rules; (3) the OAL Rules for Claims in Contract or Tort; (4) the Millionaire for Life Official Game Rules, and (5) the Arkansas Millionaire for Life Rules. Each numbered item cited above shall have equal weight unless there is an inconsistency between or among the documents, in which case the document listed first shall be controlling.
2. OAL is a member of MUSL, a non-profit and government-benefit association which is owned and operated by its member lotteries.
3. These rules may be amended at the OAL's discretion.

B. Ticket Purchases

1. Each play costs five dollars (\$5.00).
2. Play(s) purchased are valid for draw(s) indicated on the ticket only.
3. Plays may be entered manually by a retailer using the lottery terminal or through the use of an OAL-issued playslip.
4. Ticket sales will be suspended prior to drawings at 9:15 P.M. CT. Ticket sales will resume as soon as practicable following the draw.
5. If the player receives a damaged or illegible ticket or if the terminal fails to produce a ticket, the retailer shall provide the player with a new ticket. The retailer should retain the damaged ticket, if possible, and contact OAL.
6. Tickets cannot be canceled.

C. Game Play

1. A play is one (1) set of six (6) numbers: five (5) different numbers, from one (1) to fifty-eight (58), and one (1) number from one (1) to five (5), which is the Millionaire Ball number. The Millionaire Ball number may be the same as one of the first five numbers selected in the play.
2. Play(s) are marked on a playslip or communicated directly to the retailer to enter manually in the lottery terminal. The terminal will generate a ticket(s) with the corresponding play(s).

3. When using a playslip, the player should make a heavy vertical mark in the appropriate boxes on each panel. Only blue or black ink should be used on the playslip. Red ink or pencil will not be accepted. If a player makes an error in number selection, the VOID box for that play should be marked. Up to five (5) plays may be marked on a single playslip.
4. A player may choose to have any or all of the numbers randomly generated by the terminal. The Quick Pick (QP) option may be marked on the playslip or communicated to the retailer to select manually.

D. Multi Draws

1. A play is valid for the next upcoming draw only. To play multiple upcoming draws, the player should request from two (2) to twenty (20) Multi Draws either on the playslip or through the retailer.
2. Multi Draws will include and be consecutive from the next upcoming draw. Draws cannot be skipped or selected for some nonconsecutive draw(s) in the future.
3. Each Multi Draw play selected will add five dollars (\$5.00) per play to the ticket price.
4. The range of draw dates for which the ticket is valid will be printed on the ticket.
5. If a player cashes a ticket with draw(s) remaining, the player must ensure that the retailer returns a reissued ticket to the player.

E. Drawings

1. Drawings are held seven (7) days a week at approximately 10:15 P.M. CT.
