In Decades of Dollars  
One Very Lucky Winner!**

**Press Release  
From the Arkansas Scholarship Lottery  
Little Rock, Arkansas  
Wednesday, June 25, 2014**

Monday's **Decades of Dollars** had *no top prize* winner. The drawing held at 10:00 P.M. (CT), however had BIG results for one lucky player in Arkansas. One ticket purchased in Judsonia, at the Country Corner location on Highway 367 North matched five of the six numbers drawn on Monday night, winning that one player a very cool ten thousand dollars (**\$10,000.00**). The lucky ticket sold at that lottery retail location correctly matched five of the six numbers drawn, winning one of the **\$10,000** prizes. ***Now that's what I call being 'lucky!*** (odds of matching 5 of 6 are 1 in 43,649)

Even without a top prize winner in the Monday **Decades of Dollars** drawing **1,576 Arkansas players** in the game won prizes ranging from \$2 to \$10,000. Overall odds of winning a prize 1 in 6.2 (including our *very lucky player* in the drawing).

If your checking your tickets now, the **Decades of Dollars** numbers drawn in Monday night's drawing were: **01 05 27 32 33 40**.

There was **one** additional winner in the game who also won \$10,000, in Georgia. The odds of winning a ten thousand dollar prize in the game are 1 in 43,649.

There was *no top prize winner* in the **Natural State Jackpot** Tuesday night, tonight's Jackpot is **now \$205,000**. **Mega Millions®** Jackpot Friday is estimated at **\$33 Million** and the Wednesday night **Powerball®** Jackpot is estimated to be **\$70 Million**.

Good Luck and thanks for playing Arkansas,

**K. Kevin McCarthy**
