

\$250,000 Winning Ticket Sold at RNM Food Mart in Eureka

Friday night's Mega Millions drawing for a \$76 Million Jackpot didn't produce a winner anywhere in America. But a player who purchased a Mega Millions ticket at the RNM Food Mart in Eureka Springs has won \$250,000 in the drawing.

The winning player's identity will not be known until the ticket is cashed. The earliest the prize can be claimed is Monday, February 28. If the winner lives in the Eureka Springs area, the closest Arkansas Scholarship Lottery Claim Center is in Springdale.

A prize at this level is won when the player correctly chooses the five white-ball numbers but not the Mega Ball number. Had the Friday night winner also added the \$1 Megaplier, the prize would have been \$1 Million. In fact, there were no \$1 Million winners on this drawing, and only one nationwide at the \$250,000 level—the ticket bought in Eureka Springs.

All players who purchased Mega Millions tickets at RNM Food Mart in Eureka Springs will want to check their numbers against the winning numbers to see if their ticket is the lucky one.

The Mega Millions Jackpot climbs to \$88 Million for the drawing this Tuesday, March 2.
