\$2 Million Mega Millions® Ticket Sold in Pine Bluff

Jan. 30, 2019

LITTLE ROCK, Ark. – Someone who purchased a Mega Millions® ticket at the Super Stop, 3000 E. Harding Ave. in Pine Bluff, for last night's drawing is holding a ticket worth \$2 million. The winning numbers were 10, 33, 53, 54 and 62. The Megaball® was 22.

The winner had all five white ball numbers for a \$1 million prize – and only lacked having the Megaball number or would have won the \$109 million jackpot. However, because he paid an additional dollar for the Megaplier®, which was two for last night's drawing, his prize was increased to \$2 million.

Another player in New York also had all five white ball numbers but without the Megaplier for last night's drawing so only won \$1 million. A North Little Rock player won \$1,000 from Tuesday's Mega Millions drawing. The winners have 180 days to claim their prizes.

Bishop Woosley, Arkansas Scholarship Lottery director, said the past several days have been big for lottery winners in Arkansas. A Little Rock man claimed a \$1 million prize off of a \$20 Ultimate Millions scratch-off ticket last Friday. The Pine Bluff \$2 million winner makes the 67th lottery-made millionaire in Arkansas.

Woosley said Mega Millions seems to be a lucky game for people who purchase tickets in Arkansas. A \$177 million Mega Millions ticket was sold in Stuttgart in the summer of 2017 and just this past October a Sheridan couple won \$3 million on the game.

Woosley added that there are still four chances for instant ticket players to win \$1 million in Arkansas. The \$20 Ultimate Millions tickets has three \$1 million prizes still available, and the \$20 Million Dollar Winner ticket has one \$1 million prize yet to be found.

Retailers receive a 1 percent commission from the sales of winning lottery products. The Pine Bluff Super Stop will receive \$20,000 in commission for selling the \$2 million ticket.

The Mega Millions jackpot for Friday's drawing now stands at \$125 million. The Powerball® jackpot for tonight's drawing is \$174 million. Winning lottery numbers are posted at MyArkansasLottery.com.

About the Arkansas Scholarship Lottery

More than 92 cents of every dollar of Lottery revenue goes to prizes, scholarships, retailer commissions, and other expenses in Arkansas. Since 2009, the Lottery has provided more than \$781 million for more than 302,000 college scholarships, more than \$2.7 billion in prizes to players, about \$235 million in retailer commissions and more than \$120 million state and federal tax revenue.
