## **\$2 Million Powerball® Ticket Sold in Pine Bluff; Winner Has Not Claimed Prize Yet**

Sept. 15, 2020

LITTLE ROCK, Ark. – Someone who purchased a Powerball® ticket at Ma Food Mart, 3100 S. Hazel Street in Pine Bluff, for the Sept. 5 drawing is holding a ticket worth \$2 million. The winning numbers were 15, 21, 22, 27 and 47. The Powerball® was 7.

The winner has not come forward to claim his or her prize yet and has 180 days from Sept. 5 to do so.

The winner had all five white ball numbers for a \$1 million prize – and only lacked having the Powerball number or would have won the estimated \$66 million jackpot. However, because he or she paid an additional dollar for the Power Play®, which was two for that drawing, the prize increased to \$2 million.

Eric Hagler, Arkansas Scholarship Lottery director, said Pine Bluff seems to be a lucky city for lottery winners. Another person won \$2 million playing Mega Millions® on Jan. 29, 2019. That ticket was purchased at the Super Stop, 3000 E. Harding Ave. in Pine Bluff. This recent Pine Bluff \$2 million winner makes the 74<sup>th</sup> lottery-made millionaire in Arkansas.

Hagler added that there are still two other chances for instant ticket players to win \$1 million in Arkansas. Both the \$20 Ultimate Millions and the \$20 Millionaires Club tickets each have one \$1 million prize still available.

Retailers receive a 1 percent commission from the sales of winning lottery products. Ma Food Mart will receive \$20,000 in commission for selling the \$2 million ticket once the winner claims the prize.

“Even though our mission is to maximize proceeds to scholarships, we are also about creating fun, exciting experiences for our players,” Hagler said. “We hope the Powerball player who purchased the winning ticket in Pine Bluff will check his or her ticket and visit our Claim Center very soon to claim the prize.”

The Powerball jackpot for Wednesday's drawing now stands at \$94 million. The Mega Millions® jackpot for tonight's drawing is \$119 million, and the Natural State Jackpot has increased to \$150,000. Winning lottery numbers are posted at [MyArkansasLottery.com](http://MyArkansasLottery.com).

### **About the Arkansas Scholarship Lottery**

More than 92 cents of every dollar of ASL revenue goes to prizes, scholarships, retailer commissions, and other expenses in Arkansas. Since 2009, the lottery has raised nearly \$986 million in proceeds for scholarships. More than 542,000 college scholarships have been awarded to Arkansans. The lottery has awarded more than \$3.3 billion in prizes to players, about \$288 million in retailer commissions and provided more than \$136 million in state and federal tax revenue.
