Dec. 14, 2023

LITTLE ROCK – A Powerball® ticket worth \$2,000,000 was sold at Circle K Store 2709984 at 8108 Counts Massie Road in Maumelle, for Wednesday night’s drawing. However, there was no jackpot winner, so the drawing for Saturday night will be for an estimated \$535 Million.

The winning numbers were 3, 8, 41, 56, and 64, with the Powerball being 18. The multiplier was two. The player matched the five white balls. However, they increased their \$1,000,000 prize to \$2,000,000 by including the Power Play® option for an additional \$1 per play.

“We urge all players who played Powerball at this Circle K to check their tickets,” said Eric Hagler, Arkansas Scholarship Lottery executive director. “The winner has 180 days from December 13 to claim their prize.”

Saturday nights Powerball jackpot has a cash value of \$257.6 million.

Hagler wants to remind players that all lottery games are supposed to be fun. Draw games were designed to deliver big jackpots as an entertaining product for adults. A person must be 18 years of age or older to play.

“It only takes one \$2 ticket to win the jackpot,” he said.
