

\$40,000 Winning Mega Millions Ticket Sold in England

LITTLE ROCK – January 11, 2013 – Friday night’s Mega Millions drawing didn’t produce a jackpot winner anywhere in America. But an Arkansas player came out on top winning \$40,000. The winning ticket was purchased at Shell Food Mart 7 on Main Street in England.

The winning player’s identity will not be known until they cash their tickets at an Arkansas Scholarship Lottery Claim Center in Little Rock (124 West Capitol), Camden, Springdale, or Jonesboro.

A prize at this level is won when the player correctly chooses four of the five white-ball numbers and the Megaball number. The prize is \$10,000, but this player wisely added the \$1 Megaplier option, resulting in the prize quadrupling to \$40,000. Whatever the jackpot results, Mega Millions offers prizes between \$2 and \$1 Million every Tuesday and Friday night!

All players who purchased Mega Millions tickets at the Shell Food Mart in England are urged to check their numbers against the winning numbers to see if their ticket is the lucky one. The winning numbers are available at myarkansaslottery.com or at any Lottery retailer. Congratulations!
