

## **\$40,000 Winning Powerball Tickets Sold in Mountain View and Malvern**

LITTLE ROCK – January 7, 2013 – Saturday night’s Powerball drawing didn’t produce a jackpot winner anywhere in America. But two Arkansas players came out on top when each won \$40,000. The winning tickets were purchased at Exxon Travel Mart on Main Street in Mountain View and at Tobacco Superstore on Page Street in Malvern.

The two winning players’ identities will not be known until they cash their tickets at an Arkansas Scholarship Lottery Claim Center in Little Rock (124 West Capitol), Camden, Springdale, or Jonesboro.

A prize at this level is won when the player correctly chooses four of the five white-ball numbers and the Powerball number. The prize is \$10,000, but both these players wisely added the \$1 PowerPlay option, resulting in the prize quadrupling to \$40,000. Whatever the jackpot results, Powerball offers prizes between \$4 and \$2 Million every Wednesday and Saturday night!

All players who purchased Powerball tickets at Malvern’s Tobacco Superstore and Mountain View’s Exxon Travel Mart will want to check their numbers against the winning numbers to see if their ticket is the lucky one. The winning numbers are available at [myarkansaslottery.com](http://myarkansaslottery.com) or at any Lottery retailer. Congratulations!
