Powerball Jackpot Hits \$400 Million for Saturday Drawing

April 21, 2022

LITTLE ROCK – The Powerball® jackpot continues to grow and now stands at an estimated \$400 million for Saturday night's drawing.

“The last time Powerball had an estimated jackpot of \$400 million was for the Christmas Day drawing last year,” said Eric Hagler, executive director of the Arkansas Scholarship Lottery. “The last Powerball jackpot won was for \$185.3 million on Feb. 15 so there have been 29 drawings since then.”

Saturday's drawing is scheduled for 9:59 p.m. The jackpot will continue to grow if no one claims the winning ticket.

Life-changing jackpots produce more than just lottery winners. Proceeds from draw game sales drive more money for scholarships.

Since 2009, the Arkansas Scholarship Lottery has raised more than \$1.1 billion in scholarship proceeds and awarded more than 675,000 scholarships.

To purchase a ticket, visit your local lottery retailer and ask for a computer-generated Quick Pick or you can choose your own lucky numbers. Each play is \$2. A player can get the Power Play®, which multiplies any non-jackpot prizes won, with an additional \$1.
