\$410,000 Lottery Ticket Sold in El Dorado

Nov. 1, 2021

LITTLE ROCK, Ark. – Someone who purchased a Natural State Jackpot (NSJ) ticket at Little’s Grocery, located at 2702 Haynesville Highway in El Dorado, for last Thursday night’s drawing is holding a ticket worth \$410,000. The winning numbers were 4, 18, 20, 23 and 27.

The winner had all five numbers for the \$410,000 jackpot.

“Natural State Jackpot is exclusive to the Arkansas Scholarship Lottery (ASL),” said Eric Hagler, ASL executive director. “It’s only played in our state, and we are excited that we have a big jackpot winner.”

Hagler said the winner will have to claim the prize through the lottery’s Claim Center in Little Rock either in person or by mail.

“We urge all players who purchased at Little’s Grocery to check your tickets,” said Hagler. “The winner has 180 days from last Thursday to claim the jackpot!”

Retailers receive a 1 percent commission from the sales of winning lottery products, which means Little’s Grocery will receive \$4,100 in commission for selling the winning ticket once the winner claims his prize.

The Natural State Jackpot draws at 8 p.m. Monday through Saturday. The jackpot for tonight’s drawing is \$60,000. NSJ starts at \$50,000 and increases by \$5,000 every drawing until it hits \$150,000. After that, it grows by \$10,000 every drawing until it’s won. Each ticket costs \$1.

About the Arkansas Scholarship Lottery

More than 92 cents of every dollar of ASL revenue goes to prizes, scholarships, retailer commissions and other expenses in Arkansas. Since 2009, the lottery has raised more than \$1 billion in proceeds for scholarships. More than 650,000 college scholarships have been awarded to Arkansans. The lottery has awarded more than \$3.7 billion in prizes to players, about \$326 million in retailer commissions and provided more than \$148 million in state and federal tax revenue.
