Lottery's Mega Millions Jackpot Continues to Grow *\$630 Million Up for Grabs in Friday Night's Drawing*

July 20, 2022

LITTLE ROCK, Ark. – The Mega Millions® jackpot has grown to \$630 million for Friday night's drawing at 10 p.m. If the jackpot is hit, it would be the fifth largest jackpot win in Mega Millions history. The last Mega Millions jackpot hit was for \$20 million on April 15.

With more than 1,900 lottery retailers across the state, it's convenient for players to pick up a ticket at a local store or on the Jackpocket app.

There were eight winning Mega Millions tickets sold in Arkansas for Tuesday night's drawing. They included a \$30,000 winner from Hot Springs, two \$1,500 winners from Cabot and Morrilton, and five \$600 winners from Mayflower, Crossett, Sherwood, Russellville and Benton.

Mega Millions tickets are \$2 each with the option to purchase the Megaplier® for an additional dollar, which will multiply any non-jackpot prizes won. Players can select their five numbers and the Megaball®, or they can buy a Quick Pick for randomly generated numbers.

Every Mega Millions ticket purchased in Arkansas is a win for the state since more money from draw tickets go towards scholarship proceeds.

About the Arkansas Scholarship Lottery

More than 92 cents of every dollar of ASL revenue goes to prizes, scholarships, retailer commissions and other expenses in Arkansas. Since 2009, the lottery has raised more than \$1.1 billion in proceeds for scholarships. More than 675,000 college scholarships have been awarded to Arkansans. The lottery has awarded more than \$4 billion in prizes to players, about \$352 million in retailer commissions and provided more than \$155 million in state and federal tax revenue.
