Wednesday Proves to be Lucky Night For Arkansas Lottery Players

Feb. 22, 2024

LITTLE ROCK, Ark. — Wednesday night was lucky for Arkansas Scholarship Lottery (ASL) players.

A Powerball® ticket worth \$1 million was sold at Flash Market #7025, 3400 N. Washington St. in Forrest City, for last night's drawing. However, there was no jackpot winner, so the drawing for Saturday night will be for an estimated \$376 million.

The winning numbers were 4, 27, 33, 41 and 42, with the Powerball being 14. The multiplier was two. The player matched the five white balls but didn't have the Powerball number.

Someone who played LOTTO at Good Spirits, 109 Calella Road in Hot Springs Village, Wednesday night is holding a ticket worth \$25,000. The winning numbers were 3, 11, 17, 25, 28 and 31, with the Bonus Number 13.

Three other players each won \$1,500 on last night's LOTTO drawing. There were 2,965 winners in the LOTTO game, and their combined prizes amounted to \$44,279. The LOTTO jackpot, which is only played and won in Arkansas, is up to \$1.098 million for Saturday night.

The total amount of high-tier prizes (prizes of \$501 or more) won by Arkansas lottery players yesterday was \$1,056,015.

ASL Executive Director Eric Hagler announced that the lottery's popular 5-Buck Bundle promotion will continue throughout February, providing players with three opportunities to win three separate jackpots.

“For just \$5, players will receive a \$3 Powerball ticket with Power Play®, a \$2 Mega Millions® ticket, and a free \$1 Natural State Jackpot ticket,” said Hagler. “Quick Picks are the only eligible option for the 5-Buck Bundle.”
