Arkansans Win Big with Weekend Drawings

Mega Millions Jackpot Soars to \$619 million

Dec. 9, 2024

LITTLE ROCK, Ark. — Two lucky Arkansans won big lottery prizes in this past weekend's drawings.

A winning Powerball® ticket worth \$100,000 was ordered through the [Jackpocket.com](https://jackpocket.com) app for the Dec. 7 drawing. The winning numbers were 1, 31, 43, 55 and 57, and the Powerball number was 22. The Power Play® multiplier was 2.

The Arkansas Scholarship Lottery partners with retailers like [Jackpocket.com](https://jackpocket.com) to offer players a convenient way to play lottery games on the go.

Saturday night's winner matched four out of five winning numbers and the Powerball number to win a \$50,000 prize. Because they ordered their ticket with the Power Play option, their winnings doubled to \$100,000. The winner is one of six nationwide to land this prize.

The Powerball jackpot for tonight's drawing is \$20 million.

A second Arkansas lottery player won \$10,000 in the Dec. 6 Mega Millions® drawing.

The winning ticket was purchased at Bauxite Food Mart, 17000 W. Sardis Road in Bauxite. The winning numbers were 16, 21, 33, 39, and 45. The Mega Ball® number was 24, and the Megaplier® multiplier was 2.

These tickets are currently unclaimed. The winners have 180 days from the draw date to claim their prize.

The Mega Millions jackpot for tomorrow night's drawing is \$619 million. It marks the tenth time the jackpot has exceeded \$600 million in the draw game's history. The last Mega Millions jackpot was claimed at \$810 million on Sept. 10 this year.

Powerball and Mega Millions tickets are available at licensed Arkansas lottery retailers and through retailer apps from ASL's Play on the Go partners. For more information about the Play on the Go options, visit the [Where To Play](#) page on the ASL website.
