Arkansas Lottery Reminds Consumers to Gift Responsibly, Says Tickets Are Not For Children

LITTLE ROCK, Ark. – Scratch-off tickets, including the \$5 Razorbacks® ticket, from the Arkansas Scholarship Lottery (ASL) are great items for holiday gifts and stocking stuffers, but they are not intended for children.

“We urge everyone to remember to give lottery tickets only to people who are 18 years or older, as required by law.” said ASL Director Bishop Woosley. “We want to help raise awareness regarding the risks of underage lottery play.”

The Arkansas Scholarship Lottery participates in the National Responsible Gambling Campaign spearheaded by the National Council on Problem Gambling and the International Centre for Youth Gambling Problems and High-Risk Behaviors at McGill University.

Studies show that lottery scratch-off tickets can present a possible gateway to other gambling activities and, unfortunately, many problem gamblers trace their issues to childhood.

“To help stop children from developing a gambling problem, we encourage adults to be active partners with us in preventing lottery tickets from ending up in the hands of minors,” Woosley said. “We encourage all Arkansans to gift responsibly.”

Help for problem gambling is available by calling or texting the 24-hour confidential National Problem Gambling Helpline at 1-800-522-4700.

Have fun this holiday season, play responsibly and good luck with that holiday to-do list.
