

LITTLE ROCK (February 6, 2013) – Wesley Tosh of Batesville is a happy man today (see photo above). The Batesville resident was holding the winning Natural State Jackpot on Saturday night when his numbers were drawn. Mr. Tosh, who bought the winning \$1 ticket at Cushman Country Store on Central Avenue in Batesville, said he immediately told his wife of his good fortune, although he thought he'd won \$300. A trip to Cushman's convinced him he'd actually hit the jackpot of \$155,000.

Mr. Tosh claimed his prize at the Arkansas Scholarship Lottery Jonesboro Claim Center. He's going to buy a new truck and outboard motor and put the rest of his winnings in savings. Congratulations, Wesley!
