**Did you buy a \$2 Decades of Dollars ticket for the Monday night drawing at the Stop N By 3 on Keiser Street in Osceola (Mississippi County)? If you did, better check your numbers, because an as-yet-unidentified player at this location won \$10,000!!!**

**The Monday night winning numbers (between 1 and 47) were drawn in Atlanta, Georgia, and the Arkansas Scholarship Lottery announced that one lucky player in Osceola, Arkansas, matched 5 of the 6 picked numbers to hit \$10,000. That was the largest of the hundreds of Decades of Dollars prizes won in Arkansas in this one night. The next chance to win at Decades of Dollars comes Thursday.**

**Everyone who played at Stop N By should check your ticket carefully against the six winning numbers, available at [myarkansaslottery.com](http://myarkansaslottery.com) or at any Arkansas Scholarship Lottery retailer. Congratulations to the \$10,000 winner!!! Come on down to a Claim Center (Little Rock, Camden, Springdale, Jonesboro—open December 26) to pick up your winnings.**
