Arkansas Scholarship Lottery Rolls Out New Features on Mobile App

Feb. 13, 2023

LITTLE ROCK, Ark. – The Arkansas Scholarship Lottery (ASL) recently launched new updates for its mobile app – AR Lottery + Club – that will simplify players use of it.

Eric Hagler, ASL executive director, said the app has several new features that will allow players to verify tickets with the Ticket Checker, create digital playslips, browse ASL games and learn about Responsible Gaming. The biometric log in and new navigation and design of the app will also make it more user friendly.

The app will also include features from the previous version, such as:

- View current and past winning numbers and jackpots.
- Sign up to receive winning numbers and jackpot notifications via email and push notification.
- Find ASL retailers with the Retail Locator.
- Browse the newest and most popular items in the Points for Prizes® Store.
- Enter or scan eligible tickets into your Club account for Play It Again® and second-chance drawings as well as earn Points for Prizes reward points.

Hagler said the lottery team has been working on the new app for about a year.

“I think our players will be very pleased with the new app,” Hagler said. “It will allow them easy access to just about everything they need to know about the lottery. However, players will still not be able to purchase draw tickets through the mobile app at this time.”

About the Arkansas Scholarship Lottery

More than 92 cents of every dollar of ASL revenue goes to prizes, scholarships, retailer commissions and other expenses in Arkansas. Since 2009, the lottery has raised more than \$1.2 billion in proceeds for scholarships. More than 675,000 college scholarships have been awarded to Arkansans. The lottery has paid more than \$4 billion in prizes to players, about \$372 million in retailer commissions and provided more than \$161 million in state and federal tax revenue.
