## **LOTTO Jackpot Jumps to \$1.998 Million**

May 22, 2024

LITTLE ROCK, Ark. — The LOTTO jackpot rises to \$1.998 million for tonight’s drawing.

LOTTO is a draw game that is played and won only in Arkansas. It is designed to offer Arkansas players more chances of winning big prizes. The jackpot increases each draw it is not won, now adding up to the life-changing \$1.998 million prize.

Previous winners include residents of Sebastian County and Pulaski County.

LOTTO draws twice weekly on Wednesdays and Saturdays at 9 p.m. Ticket sales cut off at 8:59 p.m., and each ticket costs \$2 per play. A player must be 18 years old or older to purchase a ticket.

A LOTTO player picks six numbers from 1 to 40. Six numbers and a bonus number are drawn. A player must match the first six numbers drawn in any order to win the jackpot. Alternate prizes are available for players who match three or more winning numbers, with or without the bonus number.

After a player wins the jackpot, the amount resets to \$250,000 for the next drawing. If several players hold jackpot-winning tickets, the prize will be split equally among the players.
