LOTTO Jackpot Reaches Record-High \$2.344 Million

Natural State Jackpot Hits \$390,000 for Daily Draw

June 19, 2024

LITTLE ROCK, Ark. — Arkansas lottery players have a chance to win big prizes with tonight's drawings.

The LOTTO jackpot for tonight reaches \$2.344 million, surpassing the game's previous highest jackpot of \$2.338 million.

Played and won exclusively in Arkansas, LOTTO is designed to offer Arkansas players more chances of winning bigger prizes. The jackpot increases with ticket sales from each drawing, now totaling a record-setting \$2.344 million.

Previous winners include Sebastian County and Pulaski County residents.

LOTTO drawings occur twice weekly on Wednesdays and Saturdays at 9 p.m. Tickets cost \$2 per play, and sales cut off at 8:59 p.m.

Six numbers between 1 and 40 are drawn, as well as a bonus number. To win the jackpot, a LOTTO player must match the first six numbers drawn in any order. Alternate prizes are available for players who match three or more winning numbers, with or without the bonus number.

If more than one jackpot-winning ticket is sold, the jackpot is split evenly among the winners. Once the jackpot is won, it resets to \$250,000.

Also drawing tonight, the Natural State Jackpot is \$390,000.

The Natural State Jackpot is another draw game exclusive to Arkansas. Drawings occur daily at 8 p.m. Tickets cost \$1 per play, and ticket sales cut off at 7:59 p.m.

All draw game winners have 180 days from the draw date to claim their prize.
