LOTTO Jackpot Rises for Wednesday Night Draw

May 15, 2024

LITTLE ROCK, Ark. — The LOTTO jackpot rises to \$1.917 million ahead of tonight's drawing.

The jackpot has grown since it was last claimed in September of 2023, becoming the second-highest jackpot in the game's history.

LOTTO is an in-state draw game that is played and won only in Arkansas. It is designed to give Arkansans a higher chance of winning big prizes.

Previous winners include a Sebastian County resident who claimed a \$2.338 million jackpot and a Pulaski County resident who claimed a \$999,000 jackpot.

A LOTTO player picks six numbers from 1 to 40. Six numbers and a bonus number are drawn. A player must match the first six numbers drawn in any order to win the jackpot. Alternate prizes are available for players who match three or more winning numbers, with or without the bonus number.

LOTTO drawings occur every Wednesday and Saturday at 9 p.m. Ticket sales cut off at 8:59 p.m. As with any lottery product, a player must be at least 18 years old to purchase a ticket.

Both winning and non-winning tickets are eligible to enter in The Club for Points for Prizes®.
