LOTTO Jackpot Soars to \$1.036 Million for Saturday Night

Feb. 16, 2024

LITTLE ROCK, Ark. — With no LOTTO jackpot winner since September, the lottery's grand prize continues to soar and sits at \$1.036 million for tomorrow night's drawing.

LOTTO is an exclusive Arkansas jackpot game with bi-weekly drawings on Wednesdays and Saturdays. Tickets can be purchased for \$2 per play at any licensed Arkansas lottery retailer and through the Jackpocket app or Lotto.com.

On Wednesday, 3,255 players won LOTTO prizes totaling \$19,879, which includes five \$1,500 winners and one \$500 winner.

"I would like to remind players that LOTTO – like all lottery games – was designed to be a fun and relatively inexpensive form of entertainment," said Eric Hagler, Arkansas Scholarship Lottery (ASL) executive director. "Therefore, it is crucial to be aware of the game odds and play within your financial limits. Remember, it only takes one ticket to win."

Hagler also announced that ASL's popular 5-Buck Bundle promotion will continue throughout February, providing players with three opportunities to win three separate jackpots.

For just \$5, players will receive a \$3 Powerball® ticket with Power Play®, a \$2 Mega Millions® ticket, and a free \$1 Natural State Jackpot ticket. Quick Picks are the only eligible option for the 5-Buck Bundle.
