LOTTO Jackpot Soars to Record-High \$4.468 Million

Natural State Jackpot Rises to \$300,000 for Tonight's Drawing

Dec. 6, 2024

LITTLE ROCK, Ark. — In-state draw game jackpots rise for this weekend's drawings.

For Saturday night, the LOTTO jackpot soars to \$4.468 million.

Played and won exclusively in Arkansas, LOTTO is designed to offer Arkansas players more chances to win bigger prizes.

LOTTO drawings occur every Wednesday and Saturday at 9 p.m. Tickets cost \$2 per play, and sales cut off at 8:59 p.m.

Six numbers between 1 and 40 are drawn, plus a Bonus Number. To win the jackpot, a LOTTO player must match the first six numbers drawn in any combination. Alternate prizes are available for players who match three or more winning numbers, with or without the Bonus Number.

The Natural State Jackpot (NSJ), another draw game played and won only in Arkansas, rises to \$300,000 for tonight's drawing.

NSJ transitioned to daily draws in April 2024 to encourage higher, faster-growing jackpots. Tonight's jackpot marks the game's fourth to reach \$300,000 since the game change.

NSJ drawings occur every day at 8 p.m. Tickets cost \$1 per play, and ticket sales cut off at 7:59 p.m.

Five numbers between 1 and 39 are drawn. An NSJ player must match all five numbers to win the jackpot.

LOTTO and NSJ tickets are available at licensed Arkansas lottery retailers and through retailer apps from ASL's Play on the Go partners. For more information about the Play on the Go options, visit the [Where To Play](#) page on the ASL website.
