LOTTO Jackpot Surges to Record \$4.252 Million

Nov. 20, 2024

LITTLE ROCK, Ark. — Ahead of its mid-week drawing, LOTTO climbs to new heights.

The jackpot for tonight's LOTTO drawing surges to \$4.252 million, further extending its record as the game's highest-ever jackpot.

LOTTO, a draw game played and won exclusively in Arkansas, is designed to offer Arkansas players more chances to win bigger prizes. 746 LOTTO winners have claimed prizes greater than \$500 since the game's launch in 2022, cumulating in a \$4,640,412 payout from the lottery.

LOTTO drawings occur every Wednesday and Saturday at 9 p.m. Tickets cost \$2 per play, and sales cut off at 8:59 p.m.

Six numbers between 1 and 40 are drawn, as well as a Bonus Number. To win the jackpot, a LOTTO player must match the first six numbers drawn in any combination. Alternate prizes are available for players who match three or more winning numbers, with or without the Bonus Number.

If more than one jackpot-winning ticket is sold, the jackpot is split evenly among the winners. Once the jackpot is won, it resets to \$250,000 and increases with the sales from each drawing.
