# NATURAL STATE JACKPOT NOW AT ITS BIGGEST EVER

July 25, 2017

LITTLE ROCK— In March, Natural State Jackpot changed to have bigger, faster-growing jackpots – now, NSJ players are seeing this in action as Natural State Jackpot has grown to its biggest-ever jackpot: \$420,000!

This massive jackpot has been growing since the end of May. The Natural State Jackpot game changed in March to have jackpots increase by \$10,000 per roll when the jackpot reached \$150,000 or more. Starting jackpots, previously \$25,000, were reset to begin at \$50,000.

## **About Natural State Jackpot**

Natural State Jackpot is an Arkansas-only draw game similar to the multi-state draw game, Powerball. It launched in October 2012. NSJ drawings are held Monday-Saturday at 8 p.m. in Little Rock; each play is \$1. Five numbers between 1 and 39 are drawn; if a player's numbers match those that are chosen, the player wins the jackpot.

## **About the Arkansas Scholarship Lottery**

The Lottery has provided nearly \$700 million for more than 235,000 scholarships in the state since it began. More than 92 cents of every dollar of Lottery revenue goes to prizes, scholarships, retailer commissions and other expenses in Arkansas. Since Lottery sales started in 2009, the Arkansas Scholarship Lottery has provided nearly \$2.3 billion in prizes to players, and more than \$195 million in commissions to Lottery retailers.
