**Lottery’s Natural State Jackpot Hits Record \$480,000**  
*\$100,000 Powerball Ticket Sold in Little Rock*

June 14, 2022

LITTLE ROCK, Ark. – Since no one hit the Arkansas Scholarship Lottery’s Natural State Jackpot (NSJ) last night, the jackpot has reached a record \$480,000 for tonight’s 8 p.m. drawing. The previous record of \$430,000 was hit three years ago.

“These are exciting times for the Arkansas Scholarship Lottery (ASL),” said Eric Hagler, ASL executive director. “For only \$1, players have an opportunity to win \$480,000. As an exclusive game to our state, we are eager for an Arkansan to have a big NSJ pay day!”

There’s also a lucky winner from last night’s Powerball® drawing. If you bought a ticket from Jackpocket, you may want to check it right away – because you might be holding the winning ticket worth \$100,000. The winning numbers are 02-20-27-44-51, with a Powerball number of 25.

The NSJ launched in October 2012. The jackpot starts at \$50,000 and increases by \$5,000 every draw until it hits \$150,000. After that, it increases by \$10,000 every draw until it is won.

Players also have two chances to become a multi-millionaire this week with Powerball® and Mega Millions® jackpots totaling more than \$505 million. The Mega Millions jackpot stands at \$247 million for tonight’s 10 p.m. drawing. The Powerball jackpot for Wednesday night’s drawing at 9:59 p.m. has reached \$258 million.

Life-changing jackpots produce more than just lottery winners. Proceeds from sales drive more money for scholarships. Since 2009, the Arkansas Scholarship Lottery has raised more than \$1.1 billion in scholarship proceeds and awarded more than 675,000 scholarships.

To purchase a ticket, simply visit a local lottery retailer and ask for a computer-generated Quick Pick or choose your own lucky numbers. For more information on game odds and how to play, visit [MyArkansasLottery.com](http://MyArkansasLottery.com).

### **About the Arkansas Scholarship Lottery**

More than 92 cents of every dollar of ASL revenue goes to prizes, scholarships, retailer commissions and other expenses in Arkansas. Since 2009, the lottery has raised more than \$1.1 billion in proceeds for scholarships. More than 675,000 college scholarships have been awarded to Arkansans. The lottery has awarded more than \$4 billion in prizes to players, about \$349 million in retailer commissions and provided more than \$154 million in state and federal tax revenue.
