## Oversized Big Money Multiplier instant ticket is paying off

October 18, 2017

LITTLE ROCK— The Arkansas Scholarship Lottery's first Big Money Multiplier quarter-million dollar winner is here! Gadiel Anselmo of North Little Rock today claimed \$250,000 on a Big Money Multiplier instant ticket he bought at Super Stop Main Street, 1400 Main St., in North Little Rock.

The winner said he's going to use the prize for his daughter's college tuition, proving there's more than one way to fund college through the Arkansas Scholarship Lottery. The retailer will receive a 1 percent commission on the sale of the winning ticket.

### **More about this winning game**

Big Money Multiplier -- the Arkansas Scholarship Lottery's first oversized instant ticket -- just launched late last month, but has already been a hit with players and retailers alike. The Lottery's biggest-ever ticket is twice the size of a regular instant ticket, offering 40 chances to scratch and win, and a quarter-million dollar top prize.

This game is a \$10 instant Arkansas Scholarship Lottery game that launched September 27. More than \$6.9 million in cash prizes remain to be claimed on this ticket, including two more quarter-million dollar prizes. Overall odds for this game are 1 in 2.94. (The Arkansas Scholarship Lottery is unable to determine how many winning tickets are lost or purchased but still remain unclaimed. Prizes remaining are updated daily.)
