Powerball Jackpot Rises to \$444 Million for Saturday Draw

March 21, 2025

LITTLE ROCK, Ark. — One lucky lottery player could win a life-changing prize with this weekend's drawings.

The Powerball® jackpot for Saturday night rises to \$444 million.

Powerball is a multi-state jackpot game. Drawings occur every Monday, Wednesday and Saturday at 9:59 p.m.

Five white balls numbered between 1 and 69 and one Powerball numbered between 1 and 26 are drawn. To win the jackpot, a player must match all six numbers. Alternative prizes are available for players who match at least the Powerball number.

Powerball tickets cost \$2 per play, and ticket sales cut off at 8:59 p.m. the night of the drawing. For an additional \$1, players can purchase the optional Power Play® multiplier, which will multiply non-jackpot winnings by 2, 3, 4, 5 or 10 times.

These tickets are available for purchase at licensed Arkansas lottery retailers and through retailer apps from ASL's Play on the Go partners. For more information about the Play on the Go options, visit the [Where To Play](#) page on the ASL website.
