Powerball Results Finalized, Winning Tickets Now Redeemable

June 11, 2021

LITTLE ROCK, Ark. – The draw results for the June 9 Powerball® drawing have been finalized, and the estimated jackpot for tomorrow’s drawing has been set at \$31 million. Retailers may begin paying claims on winning tickets from Wednesday’s drawing.

One jurisdiction was unable to verify the number of winners in each prize tier following Wednesday night’s drawing due to technical difficulties, so payouts had to be delayed as well as the calculation for tomorrow’s jackpot amount.

Arkansas Scholarship Lottery Executive Director Eric Hagler said while the majority of jurisdictions, including Arkansas, were able to verify the number of winners in each prize tier quickly, additional processing time was required for one jurisdiction.

“We apologize for the reporting delay,” said Hagler, “and we thank our players for their patience.”

The winning numbers for the June 9 Powerball drawing were 19, 28, 46, 50, and 54. The Powerball number was 9 with a Power Play® multiplier of 2.
