### **Sevier County Woman Wins \$200,000 Instant Prize**

Jan. 2, 2025

LITTLE ROCK, Ark. — One local lottery player wrapped 2024 with her biggest prize yet.

Judi D. of Sevier County won \$200,000 playing Multiplier Mania, a \$10 instant game. She claimed her prize at the Arkansas Scholarship Lottery (ASL) Claim Center on Dec. 31.

Judi purchased her winning ticket at B & B Store, 2467 US Highway 71 in Lockesburg. She had visited the convenience store earlier that day and bought two tickets for one of her favorite games: Multiplier Mania.

Although neither ticket held a prize, the Arkansan still held onto hopes for a big win. Judi purchased a third Multiplier Mania ticket and scratched it off in her car.

To her shock, the first square held the game's \$200,000 top prize. In disbelief, the Sevier County resident sent her daughter a photo of the ticket.

"I need you to tell me if we see the same thing," Judi said.

Although she plays daily, the massive win surprised the Sevier County resident. She had been more than delighted with her previous biggest wins of \$500 and \$5,000.

"You always dream about it," she told lottery officials. "You think, 'What if this happens?'"

The lucky winner plans to make life more comfortable with her prize. She also intends to continue playing lottery games.

"My expectations are so high because now I know it can happen," Judi said.

### **About the Arkansas Scholarship Lottery**

The Arkansas Scholarship Lottery (ASL) creates winning people, winning futures, and winning moments. Since 2009, the ASL has sold over \$7.7 billion and returned more than \$1.4 billion for scholarships to benefit Arkansas students. More than 770,000 college scholarships distributed by the Arkansas Department of Higher Education have been awarded to Arkansans. The lottery has awarded more than \$5 billion in prizes to players, more than \$435 million in retailer commissions, and provided more than \$181 million in state and federal tax revenue.
