THINGS ARE CHANGING IN THE NATURAL STATE

March 13, 2017

LITTLE ROCK – The Natural State Jackpot draw game changes today! Jackpots for the Arkansas-only draw game now start bigger and grow faster. With Saturday’s massive \$210,000 Natural State Jackpot won, today’s starting Natural State Jackpot begins – for the first time – at \$50,000. Previously, starting jackpots for Natural State Jackpot began at \$25,000. *(See chart below.)*

The NSJ jackpot then increases by \$5,000 each draw until it’s won. But if the jackpot reaches \$150,000 or higher, it will now increase by \$10,000 per roll. With jackpots that start bigger and grow faster, now’s a great time to play this local draw game played by us and won by us, right here in Arkansas.

About Natural State Jackpot

Natural State Jackpot is a terminal-generated draw game similar to multi-state Powerball, but is played only in Arkansas. Drawings are held Monday through Saturday at 8 p.m.; each play is \$1. Five numbers from 1 and 39 are drawn; if a player’s numbers match those that are chosen, the player wins the jackpot.

About the Arkansas Scholarship Lottery

Since its inception in 2009, the Arkansas Scholarship Lottery has provided nearly \$700 million for in-state college scholarships to Arkansas students, nearly \$2 billion in prizes to players, and more than \$182 million in commissions to Lottery retailers. More than 92 cents of every dollar of Lottery revenue goes to prizes, scholarships, retailer commissions and other expenses in Arkansas.
