TO \$210K FORREST CITY WINNER, IT'S A NATURAL

March 14, 2017

LITTLE ROCK – The latest Natural State Jackpot winner has stepped forward! Danny McCollum of Forrest City (St. Francis County) today claimed Saturday's big \$210,000 jackpot on a Natural State Jackpot ticket he bought at Jordan's Kwik Stop #42, 2335 N. Washington, in Forrest City. The NSJ game changed just this week to feature bigger, faster-growing jackpots!

About Natural State Jackpot

In fact, bigger, faster-growing jackpots make this a great time to play this Arkansas-only draw game that is exclusively played in the state. Starting yesterday, when Natural State Jackpot's top prize is at \$150,000 and higher, it will now roll by \$10,000 per draw. Also changed Monday are Natural State Jackpot's starting jackpots, which now begin at \$50,000. (Previously when the jackpot was hit, the NSJ jackpots reset at \$25,000.)

Natural State Jackpot is a terminal-generated draw game similar to multi-state Powerball, but is played only in Arkansas. Drawings are held Monday through Saturday at 8 p.m.; each play is \$1. Five numbers from 1 and 39 are drawn; if a player's numbers match those that are chosen, the player wins the jackpot.

About the Arkansas Scholarship Lottery

Since its inception in 2009, the Arkansas Scholarship Lottery has provided nearly \$700 million for in-state college scholarships to Arkansas students, nearly \$2 billion in prizes to players, and more than \$182 million in commissions to Lottery retailers. More than 92 cents of every dollar of Lottery revenue goes to prizes, scholarships, retailer commissions and other expenses in Arkansas.
