Tonight's Powerball Jackpot Jumps to \$484 Million

March 26, 2025

LITTLE ROCK, Ark. — The Powerball® jackpot is on the rise, jumping to \$484 million for tonight's draw.

Powerball is a multi-state jackpot game. Nine Arkansans have claimed Powerball prizes of \$50,000 and above since July 2024. The most recent claimant collected their \$100,000 prize in February 2025.

Powerball drawings occur every Monday, Wednesday and Saturday at 9:59 p.m.

Five white balls numbered between 1 and 69 and one Powerball numbered between 1 and 26 are drawn. To win the jackpot, a player must match all six numbers. Alternative prizes are available for players who match at least the Powerball number.

Powerball tickets cost \$2 per play, and ticket sales cut off at 8:59 p.m. the night of the drawing. For an additional \$1, players can purchase the optional Power Play® multiplier, which will multiply non-jackpot winnings by 2, 3, 4, 5 or 10 times. Players who match the five white balls without the Powerball number can win up to \$2 million.

These tickets are available for purchase at licensed Arkansas lottery retailers and through retailer apps from ASL's Play on the Go partners. For more information about the Play on the Go options, visit the [Where To Play](#) page on the ASL website.
