Two Arkansas Players Win Big with “X” Ticket Family *Winning LOTTO Ticket Worth \$25,000 Sold for Wednesday Night Drawing*

March 19, 2026

LITTLE ROCK, Ark. — Launched earlier this month, the “X” scratch-off ticket family brought big wins to two lucky Arkansans.

James R. of Phillips County won \$500,000 playing 200X, a \$20 instant game. He claimed his prize at the Arkansas Scholarship Lottery (ASL) Claim Center on March 13.

James was purchasing gas at Jordan’s Kwik Stop 27, located at 1169 Highway 49 in West Helena, when he bought the winning 200X ticket.

“Something just told me to buy a couple of tickets,” James told lottery officials.

He returned home, scratching and scanning the barcode with the official AR Lottery + Club app. To his surprise, he won a \$500,000 top prize and received a message telling him to claim it at the ASL Claim Center.

“It was so unbelievable,” he said.

James plans to renovate his home with his winnings.

Three \$500,000 top prizes remain on 200X.

Another winner, K. Houston of Mena, won \$100,000 playing the 50X instant game and claimed her prize on March 16.

Houston bought the \$5 winning ticket at Racehorse, located at 420 N. First St. in Glenwood. Usually more interested in other scratch-off games, Houston selected the 50X ticket at random. Lucky for her, the purchase led to a \$100,000 top prize.

“It still doesn’t feel real,” she told lottery officials.

Houston first shared the good news with her family, and she plans to help her dad buy a new home with her winnings.

Two \$100,000 top prizes remain on 50X.

This month’s wins also extend to draw games: a winning LOTTO ticket worth \$25,000 was ordered via Lotto.com for the March 18 drawing.

The winning numbers were 13, 20, 22, 32, 33 and 37, and the Bonus Number was 9. The winner matched five out of six winning numbers, plus the Bonus Number, to land the \$25,000 prize.

This ticket is currently unclaimed. The winner has 180 days from the draw date to claim their prize.

Saturday night’s LOTTO jackpot is \$1.031 million.
