## **Work Group Wins \$50,000 On Ultimate Millions Lottery Ticket**

Dec. 11, 2018

LITTLE ROCK, Ark. – A group of men who work together in central Arkansas pooled their money recently to try to win \$1 million on the Arkansas Scholarship Lottery's new Ultimate Millions scratch-off ticket. They haven't won the million dollars yet, but they are winning.

Last week 12 co-workers each put in \$200 to purchase the \$20 instant ticket that has four \$1 million top prizes. They won several lower-tier prizes totaling \$2,808, which meant they each won \$234. Seven of the 12 men decided to roll their \$234 into purchasing more Ultimate Millions tickets. This time they won \$50,000!

The group said they have pooled their money before to buy Powerball® and Mega Millions® tickets, but this was the first time they had done so to purchase a scratch-off ticket. However, four \$1 million prizes is intriguing.

Each of the seven players won \$7,143. They will probably buy more tickets because as the old saying goes – “The third time is the charm!”

The Ultimate Millions ticket launched on Dec. 4. It has more than \$35 million in prizes with more than \$16 million in prizes of \$100 or more. Four bonus boxes offer players chances to win \$50, \$100, \$500 and \$1,000 instantly.
